Meeting Date: Thursday, October 19

- 6:30 Meet and Greet
- 7:00 Club Business
- 7:05 Candidate Forum
Questions from the audience
- 8:30 Follow-up

General Meetings

held from
6:30 PM to 8:30 PM at
Cherry Crest Elementary
12400 NE 32nd St.
in the Cafeteria

BTCC City Council Candidate Forum

How can you impact in what way the City of Bellevue reflects the values of the neighborhoods? Meet the candidates starting at 6:30.

Attend the Thursday, October 19th BTCC City Council Candidate forum.

As we have in the past, BTCC will sponsor a City Council Candidate Forum at our October 19th General Meeting. City Council leads the way: they set the policy that is implemented by the City Manager and Staff. Find out who understands what you, Bridle Trails, and the entire city needs to preserve, protect, and enhance our community.

This is your opportunity to hear directly from the candidates on such important issues as Traffic, public safety and utilities.

There are 4 positions on the ballot for November

Position 1

Randy Grein

Conrad Lee

Position 4

Karol Brown

Jared Nieuwenhuis

Position 5

Phillip Yin

Janice Zahn

Position 6

Steven Fricke

Lynne Robinson

While BTCC does not endorse candidates, we want to give you information to help decide who will do the best job for Bellevue and Bridle Trails. Each candidate will make a short presentation. And then we will have the opportunity to ask questions.

Come at 6:30 for more opportunities to talk directly to the candidates

.....

From the office of the president

Last Spring, I helped mentor another neighborhood in crisis. It showed me what a blessing we have had with BTCC

being active all these years. Next June 6 is the Bridle Club Community Club's 40th anniversary. Yes, it all started in 1978. Having a connection is so important when a crisis arrives. It also helps for celebrations. All of you have contributed to that. My term as president is ending, effective end of October. So, we are looking for a new president. If you are interested, let me know. BridleTrails@gmail.com or 425-881-3301.

Thank you. ~Pamela Johnston

Bridle Trails Night Out 2017

- Wayne Bruning

Bridle Trails neighbors enjoyed another great Bridle Trails Night Out on August 8. BTNO was an opportunity to meet neighbors and talk with Bellevue Fire, Police and City Staff representatives. The Hot Dog USA jump rope team provided our entertainment and put on another great show.

Attendees enjoyed Pizza, Ice Cream and a variety of foods provided by some of our sponsors. Many thanks to all the sponsors who help make Bridle Trails Night Out such a successful event. Thanks also to the many volunteers, especially the

Bridle Trails Night Out 2017 continued...

Bridle Trails Watch Committee who planned and organized BTNO. We extend a warm welcome to the new BTCC members who joined during Night Out. We're happy you chose to be part of BTCC.

BTNO is an annual event hosted by the Bridle Trails Community Club. Plan to join this excellent community event at Cherry Crest School in August 2018.

The Eighth Annual Night Out was enjoyed by over 300 residents!
Special thanks to all the sponsors who came to the event. Neighbors appreciated getting to know the visiting businesses and food sponsors.
Thanks to All of Our Sponsors and Friends!

Pikes Peak Reservoir – Alice Prince

Late in 2016 the City of Bellevue Utilities Dept. asked representatives of several Bridle Trails organizations and neighborhoods to meet and discuss replacing the Pikes Peak Reservoir and Pump Station in Bridle Trails State Park.

Jay Hummel of Bellevue Utilities explained the need to replace the current out of date reservoir and pump station in order to provide up to date water service reliability and fire protection to residents of the Bridle Trails community.

The Community Advisory Group shared the concerns of the people they represented regarding the construction involved in the project and helped evaluate the proposed im-

provements and construction plans.

After several meetings, a live open house, and an on-line open house, the 4 major alternative construction plans were narrowed down to 1 preferred plan which the Utilities group would present to the Capital Improvement Project (CIP) Cabinet. The one chosen to take forward was “a circular prestressed concrete reservoir” with the pump station to be offsite at Cherry Crest.

The preliminary Project Schedule for all of this is; Review and finalize evaluations - 2017, Design and Permitting – late 2017 through mid 2018, Bidding and Contract Award – late 2018 through early 2019, and Construction – early 2019 through mid to late 2020.

If you have questions, you can contact Jay Hummel, Project Manager, at JHummel@bellevuewa.gov.
