## Bellevue City Council Member Jared Nieuwenhuis Guest Speaker on May 24th

Attend the BTCC Meeting on May 24 and meet City Council member Jared Nieuwenhuis. Jared was elected to the Council in the November 2017 election. He was a member of the Bellevue Parks Commission prior to being elected to the Council. Jared supports Bellevue neighborhoods.

Join us to learn about the Council priorities for 2018. Ask questions about the how the City will address budget, public safety and traffic issues.

## PSE Project

### – Loretta Lopez

The City has allowed PSE to segment the transmission line project into a Southern Segment (Somerset area) and a Northern Segment (Lake Hills, Be;-Red and Bridle Trails). PSE filed the application for the Southern Segment in September 2017. PSE has not yet filed an application for the Northern Segment.

The BTCC, working with Coalition of Neighborhoods for Sensible Energy (CENSE), objected to City Staff on PSE's segmentation. The BTCC objects allowing PSE to file 2 applications for 1 project because the result is that there will be 2 hearings, 2 separate reviews by the City Council, and 2 appeals to court. The 2 for 1 approach is a waste of taxpayer money.

The 2 for 1 approach means that BT residents will have to present evidence at Hearing #2 even though Hearing #1 should be where all evidence is presented. This is expensive and time consuming for everyone. Why would the City allow PSE to do this to the residents?

If you have any questions or suggestions on the PSE project contact, Warren Halvorsen, [whalvrsn1@frontier.com](mailto:whalvrsn1@frontier.com), 425-883-0568 or Norm Hansen, [Hansennp@aol.com](mailto:Hansennp@aol.com), 425-861-7333.

## Water Reservoir Construction/Pikes Peak

The City and the BTCC worked together to develop a good solution to address the need to replace the Pikes Peak Reservoir. The Replacement Project is moving forward with design. Construction is still planned for the summer of 2020.

Questions? Contact City of Bellevue, Jay Hummel at 425.452.4160 or [JHummel@bellevuewa.gov](mailto:JHummel@bellevuewa.gov)

## City Neighborhood Enhancement Program (NEP)

The City allocates funds to neighborhoods through the NEP process. The City asked all residents in the Bridle Trails area for suggested projects. The City has selected projects that fall within the NEP guidelines. The next step is for residents to vote for a project.

Meet City staff on Thursday, June 14 to learn more about the enhancement projects proposed for the Bridle Trails NEP ballot. The evening's meeting will provide a brief overview of the project requests, the project scoping process and the upcoming voting process.

## SAVE THE DATE - BRIDLE TRAILS NIGHT OUT – AUGUST 14

Plan to join your Bridle Trails neighbors and their families at our annual BTNO. There will be pizza, ice cream and a variety of food samples from local restaurants as well as great giveaways – AND it's all free!

Bring the whole family to celebrate our neighborhood. A fun way to meet neighbors, local businesses, community groups, City of Bellevue staff and departments. There will also be entertainment.

Invite your neighbors to come with you and join the fun at Cherry Crest School. All Bridle Trails residents are invited to this fun and free event.

## BTCC Membership

### – Wayne Bruning

If you haven't joined BTCC for 2018, please do so now. BTCC is your neighborhood watchdog and advocate, helping preserve, protect and promote our Bridle Trails Community.

Paid memberships are BTCC's only source of income and your support means our volunteers will continue to work on projects that benefit the community. Projects include working with CENSE to prevent unneeded projects like PSE Energize Eastside, ensuring that land use and zoning protect and enhance our Bridle Trails Neighborhood and advocating the equestrian nature of Bridle Trails. BTCC also sponsors the annual BTNO event.

If you wish to join or renew now, send your check for \$20 to:
